Building Up the Town of Reno,

Has determined to offer two
hundred fine building lots for
sale, some of which are situated
in the central part of town, and
are very desirable for business
purposes. The proposed site for
homes is immediately South of
the Truckee river, and its ele-
vation affords a magnificent
view of the mountains in the
distance, and the valley and
town near at hand. A more
perfect place for an elegant home
could not be selected. The soil
is good, and an abundant supply
of water will be sold with each
lot. The health of the locality
cannot be questioned, as its ele-
vation assures a perfect system
of sewerage. Gas mains will be
laid through the streets free of
cost, for the benefit of those de-
siring to use them. It is also
intended by the owners to lay
out a park on the south side of
the Truckee river, covering 20
acres, in which the public may
enjoy the pleasure of driving,
fishing and boating.

The educational advantages
of Reno are well known, and the
business prospects of the town
are assured beyond a doubt.
Purchasers of these lots may feel
confident that the best of terms
will be offered, and they will be
fairly dealt with. For further
particulars, address
